

CERTIFICATE OF ACCREDITATION

This is to certify that

Hamad Medical Corporation
Occupational Health and Safety Department
Medical Physics Section
P.O. Box 3050
Doha-Qatar

has implemented and maintained the
Quality Control Service Provider (QCSP) requirements according to:

MEFOMP - Accreditation Program for Quality Control Service Providers of X-ray medical equipment - General Requirements and Guidance

Scope includes the following medical x-ray units:

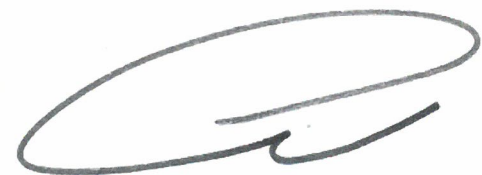

- Computed Tomography and Portable CT
- Fluoroscopy units (Biplane C-arm, Multi-purpose C-arm, mobile C-arm, mini mobile C-arm and mobile O-arm)
- General Radiography and mobile X-Ray
- Mammography (2D and DBT)
- Dental units (Intra Oral, Panoramic/Cephalometric and CBCT)
- Bone Densitometer (DEXA or DXA)
- EOS-biplanar Bone Scan

Accreditation was granted after comprehensive audit of the QCSP procedures, which verified compliance with the MEFOMP requirements.

Certificate registration no.: COAQC-20230918-002

Date of certification: 18-09-2023

Valid until: 17-09-2026

Dr. Meshari M. Nuami
Chairman, MEFOMP Accreditation Board 2023
